Extending Christ's Radical Hospitality

Welcome

† Greeting One Another

† Opening Hymn:

Oh How Good It Is

*“Oh how good it is
When the family of God
Dwells together in spirit
In faith and unity.
Where the bonds of peace,
Of acceptance and love
Are the fruit of God's presence
Here among us.*

CHORUS

*So with one voice we'll sing to the Lord
And with one heart we'll live out His word
Till the whole earth sees
The Redeemer has come
For He dwells in the presence of His people.*

*Oh how good it is
On this journey we share
To rejoice with the happy
And weep with those who mourn.
For the weak find strength
The afflicted find grace
When we offer the blessing
Of belonging.*

CHORUS

*Oh how good it is
To embrace God's command
To prefer one another
Forgive as God forgives.
When we live as one
We all share in the love
Of the Son with the Father
And the Spirit.*

Join us in observing Behavioral Health Sunday

The DC Department of Behavioral Health (DBH) has designated today as Behavioral Health Sunday, where communities of faith around the city join in promoting mental health wellness and freedom from addiction. At National UMC, we affirm that no mental health condition can change your status as a beloved child of God, and support efforts to make mental health resources accessible for everyone.

If you or someone you love is in need of resources, including emergency resources, to deal with a mental illness or addiction problem, you can call DBH’s 24/7 Access Helpline:

Reconciling Statement

National United Methodist Church affirms that all individuals are of sacred worth without regard to race, ethnicity, national origin, sex, sexual orientation, age, religion, education, marital circumstances, economic status, physical and mental condition, or criminal history. We declare ourselves in support of the reconciling movement and welcome the full participation in the church of gay, lesbian, bisexual, or transgendered persons and their families, as a reflection of God's unconditional love.

At the same time, we recognize differences of opinion on issues of sexuality and seek to journey together in faith toward greater understanding and mutual respect.
