

Rise

Chorus

Rise

You will Rise

Rise

Raise your head and dry your eyes

Verse 1

Some days you may feel like you're
falling, falling, falling, falling

Can't you hear someone
calling out to you?

Sometimes you may feel
blinded by the winds that blow

Can't you see, that it's so
someone loves you, don't you know?

Chorus

Verse 2

Some nights you may feel like you're the
only person alive.

When you do, please call me up
and i'll be there, by your side.

Sometimes you may think
there's no solution, no way out
Please remember you can stand,
you can smile, you can shout.

Chorus

Bridge

Once you felt strong and able

Now you feel a bit unstable

Find someone... to talk to

Because you know

Jesus loves you.

We have come this far by faith,
Leaning on the Lord,

We’ve come this far by faith.

Just the other day, I heard a man say
He didn’t believe in God’s -Word,
But I can truly say that I have found the way,
And He’s never failed me yet. Oh, oh, oh!

Chorus

Verse 2

Don’t be discouraged
When troubles come your -way.
He’ll bear all your burdens,
And turned all your night into say. Oh, oh, oh!
